Greetings,

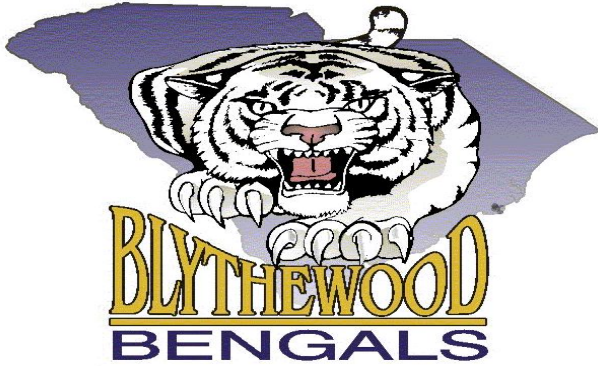

The Blythewood Touchdown Club is seeking sponsorship for the 2009 football season. Throughout the state, sports programs are under funded and Booster Clubs have to work hard to ensure the athletes and their programs get the support from other areas to keep their program viable.

Blythewood Touchdown Club provides all or part of the funding for events or items such as pre-game meals for players and coaches, equipment for the weight room, skill camps and other required items. The Touchdown Club is also responsible for printing programs that are sold at our home games.

Our aspiration is that you will become a sponsor for the 2009 season. Please see the attached form for a list of opportunities that would be of interest to you. A member of the Touchdown Club Program Committee will be available to answer any questions or concerns that you may have. Please feel free to contact me or any member of the Touchdown Club for any assistance. Thank you in advance for your support of the Blythewood Bengals Football Program.
